Email 1 — Write an email from a student to their professor requesting an extension on an assignment submission deadline. The email must follow all professional email rules.

Subject- Request for Extension on Assignment Submission Deadline

Dear Professor,

I hope this message finds you well.

I am writing to request a short extension for the Vityarthi Digital Literacy project, which is currently due on 31st March 2026. Due to some recent health concerns, I have not been able to dedicate sufficient time and focus to complete the assignment to the best of my ability.

I would sincerely appreciate it if you could grant me an extension until 3rd April 2026. This additional time will help me ensure that my submission meets the expected standards.

I apologize for any inconvenience this may cause and truly appreciate your understanding and support.

Thank you for your time and consideration. I look forward to your response.

Sincerely,
Mayank Shrivastava

Email 2 — Write an email from a student to an internship coordinator at a company, expressing interest in a summer internship opportunity.

Subject- Application for Summer Internship Opportunity

Dear Sir/Madam,

I hope you are doing well.

My name is Mayank Shrivastava, and I am currently pursuing a B.Tech in Computer Science and Engineering (CORE) at Vellore Institute of Technology, Bhopal. I am reaching out to express my interest in securing a summer internship opportunity at your esteemed organization.

I am keen to enhance my skills and gain hands-on experience in the field of Software Development. I believe that your organization offers an excellent environment for learning and professional growth, and I would be grateful for the opportunity to contribute while developing my technical abilities.

I would appreciate it if you could inform me about any available internship positions for the upcoming summer, along with the application process. I have attached my resume for your kind review.

Thank you for your time and consideration. I look forward to hearing from you.

Warm regards,
Mayank Shrivastava
